

Consolidated View of Holdings in Mobile Applications of Depositories (CDSL/ NSDL)

In order to enhance investor awareness, transparency and ease of access to information relating to securities holdings, the Depositories, in co-ordination with SEBI, have upgraded their respective investor applications (links of mobile application given below), providing a consolidated, bird's eye view of investors' holdings in securities market.

CDSL – MyEasi App

iOS Mobile App.

<https://apps.apple.com/in/app/cdsl-myeasi-app/id6737304195>

Android Mobile App.

<https://play.google.com/store/apps/details?id=com.cdsl.myeasi>

NSDL – Speede App

iOS Mobile App.

<https://apps.apple.com/in/app/nsdl-speede-app/id922834763>

Android Mobile App.

<https://play.google.com/store/apps/details?id=com.msf.NSDL.Android&hl=en-US>

The above-mentioned applications of CDSL and NSDL has following features:

- Enables consolidated view of securities of client across both the Depositories thereby eliminating the need for multiple logins.
- Transaction and holding statements at one place improving portfolio management by investors.
- Monitoring of open positions and margin details across Stock Exchanges and Clearing Corporations.
- Option to exercise E-voting on company resolutions.
- Access to recommendations of proxy advisers on resolutions.

This communication is issued in the interest of investors and with a view to strengthening investor protection and awareness.
